

DR. HANY ELRASHIDY

COMPLIMENTARY SHOULDER PAIN LECTURE

Join AthletiCo Grayslake for a dinner/lecture focusing on Shoulder Pain: diagnosing and treating impingement, scapular, dyskinesia, and rotator cuff injury. Dr. Elrashidy joins Greenleaf Orthopaedic after completing his orthopaedic surgery residency at Northwestern Memorial Hospital in Chicago, followed by a Sports Medicine and Arthroscopy fellowship with San Diego Knee and Sports Medicine. He has extensive training in the latest techniques of open and arthroscopic shoulder and knee surgery including arthroscopic rotator cuff repair, shoulder stabilization, cartilage repair and shoulder replacement. He also specializes in arthroscopic ACL and multi-ligamentous reconstruction of knee and meniscal repair and transplant.

SPEAKER: Hany Elrashidy, M.D.

DATE: January 17, 2012

TIME: Dinner at 6:30pm, Lecture from 7-8pm

LOCATION: AthletiCo Grayslake

TO REGISTER: Please email kshields@athletico.com by January 10, 2012. Space is limited.
